Dear Parents/Guardians

COVID-19 UPDATE FOR 25 MARCH 2020

Greetings from Hilliard Christian College.

We live in a world where the only constant appears to be change. Certainly, the response from our leaders in relation to this virus is changing daily.

On Monday, the premier, Mr Peter Gutwein, gave parents the opportunity to withdraw children from school and to keep them at home. He also suggested that learning resources would be provided where possible. Today he announced that Term 1 would end for students on Friday, 3 April.

Hilliard Christian School acknowledges the statement made by the premier, and as we wrote in our letter last Friday, our priorities are the health of both students and staff along with the learning of the students.

As such, our priority must be the students who are still attending school. At this stressful time we are doing our best to manage the workload of our staff. As such it is not possible for teachers to prepare work both for students at school and at home at the same time.

The secondary teachers have been asked to ensure that they are posting their classwork to Google classroom.

Primary teachers have been asked to share any homework sheets that they may have produced and have available to email to you.

During the week commencing 6 April, teachers will come to work to prepare material for students to do should the closure be extended into Term 2. Students are not to be at school in that week.

If you have any questions in relation to this, please come contact me. The easiest way is via email: stephen.littlewood@hilliard.adventist.edu.au.

Best wishes

Stephen Littlewood
