Any student who lives within 1 km (primary) and 2km (high school) of the school will not be expected to travel on the bus service unless there are special circumstances.

The school attempts to set the bus run such that no child is picked up earlier than 7:30am and returned to the designated drop off place by 4:30pm.

Students who travel by bus are expected to abide by the Code of Behaviour that is reviewed at the start of the year with the students.

Bus runs are set at the start of a year and can be modified when needs arise. Specific needs of students and families are taken into consideration and reasonable requests will be implemented. The bus drivers in consultation with the Principal will make decisions on bus pick up and drop off spots. General school runs and matters of dispute will be taken to the Principal. Decisions will be made on the basis of need, reasonable cost and time effectiveness.

Please note not all requests will be able to be implemented.
